DATE MAILED:

Please find below and/or attached an Office communication concerning this application or proceeding.

Commissioner for Patents**Response to Amendment**

The reply filed on March 3, 2006 is not fully responsive to the prior Office Action because: the amendments filed on 4/3/06 and 12/21/05 still do not have any detail explanation about the changes made to the drawings. 37 CFR 1.21(d) states: All changes to the drawings shall be explained, in detail, in either the drawing amendment or remarks section of the amendment paper. Since the period for reply set forth in the prior Office action has expired, this application will become abandoned unless applicant corrects the deficiency and obtains an extension of time under 37 CFR 1.136(a).

The date on which the petition under 37 CFR 1.136(a) and the appropriate extension fee have been filed is the date for purposes of determining the period of extension and the corresponding amount of the fee. In no case may an applicant reply outside the SIX (6) MONTH statutory period or obtain an extension for more than FIVE (5) MONTHS beyond the date for reply set forth in an Office action. A fully responsive reply must be timely filed to avoid abandonment of this application.

The period for response continues to run from the notice of non-responsive amendment mailed on 3/2/2005.
